Once the credit card draft is established, a note will print on your electric bill each month stating **PAID BY DRAFT**. Drafts are pulled two to three business days before your due date.

It is important to update us of any change to your credit card account so that your monthly statement can continue to be drafted without interruption. If issued a new card due to change in expiration date, please contact our office immediately with the updated expiration date to avoid interruption of the credit card drafting process.
