

A RESIDENTIAL WATER HEATER PROGRAM
INSTALLATION REQUIREMENTS, RULES AND GUIDELINES

1. To qualify for a rebate and other incentives under the H₂O Select program, the customer must complete an enrollment form and provide receipt.
2. Only one rebate will be paid per home. H₂O Select rebates are paid per home and not per water heater.
3. A conversion bonus rebate is available for any water heater that changes from gas to electric.
4. For all new spec home construction, rebates will be paid to the general contractor or developer.
5. Rebate is to be paid to homebuyer of new construction homes.
6. Mobile Home customers must own the land on which the home resides, and it must be attached to permanent foundation.
7. Blue Ridge Electric Co-op must be allowed to inspect any water heater(s) at reasonable times to insure proper operation and program compliance.
8. Blue Ridge may end this program without notice anytime.
